WEALTH & LEGACY
Connect - Inspire - Challenge

Center for Wealth and Legacy

Be a Part of the Success!

The Center for Wealth & Legacy™ is a non-profit committed to being the leading organization for connecting and developing exceptional business, philanthropic and thought leaders to positively impact, enhance and inspire our communities and the world.

Through the *Leadership, Legacy & Inspiration Awards™* we spotlight community business owners and individuals who are going beyond their success, creating a legacy that impacts the community and the world. This is an opportunity to do two things: recognize those unique individuals in our business community that are 'giving back' positively impacting their world and our San Diego community with their contributions, and also to connect & challenge our entrepreneurial business community to be inspired to do great things.

The Leadership Insights Forum™ offers members of the business community opportunity to talk with and learn from someone who has been there before, overcome adversity, succeeded, and now wants to give back. You'll get inspired, set goals, and if you like, a mentor will follow up to help you accomplish them.

Why Be A Sponsor

Our sponsors are viewed as community leaders. Thru The Center's events they enjoy opportunities to speak, educate and interact with our local communities, nonprofits and to participate at seminars, lead webinars, contribute to community events, newsletters and participate in the growth and development of The Center.

- Demonstrate your commitment to helping business owners, families, non profits and our communities by supporting our non-profit organization and giving back while leaving a lasting legacy.
- Increase your exposure with our audiences and in our community by having your brand and your core mission/values appear on The Center website, handouts and prominently featured at our events.
- Create relationships with top business owners, nonprofits and families and their professional advisors in our community as you connect at Center networking and community events.
- Showcase the value your services and products add to the business owners, families and our communities
- Build a lasting alliance with The Center that will go well beyond a one-time event.

The Choice of Sponsorship

Thank you to all our sponsors who support The Center, its annual *Leadership, Legacy & Inspiration Awards™*, the three *Leadership Insights Forum™* events per year and all of The Center's endeavors that positively impact and enhance our communities.
